

GREELEY, COLORADO

2023 COMMUNITY IMPACT

To support the communities where we live and work, Leprino Foods Company's Greeley employees and the Leprino Foods Company Foundation (LFCF) annually partner with local nonprofit and other organizations to provide philanthropic donations and volunteer support. Since 2015, the LFCF has contributed nearly \$4,500,000 to the communities where we operate.

The Greeley facility began operations in 2011 and is a significant employer and community partner in Weld County. In 2023, the employee-driven Community Impact Team (CIT) and the LFCF supported nine local and regional organizations with donations and grants totaling more than \$70,000. Organizations include:

- Greeley Creative District
- Greeley School District No 6
- Grizzly Football Club
- Levi's Legacy
- Make a Wish Foundation of Colorado
- Outdoor Colorado
- Trust For Public Land
- Weld County 4-H Dairy Cattle Advisory Council
- Weld County School District

Our Greeley employees volunteer their time to help improve livelihoods, foster empowerment, and build resilient communities. Volunteering is employee-driven, and activities support four focus areas of nutrition, education, fitness, and local needs. In Greeley, we are proud to be involved with local and regional organizations that celebrate the many diverse cultures, communities and lifestyles that comprise our community.

We are proud of the partnerships we've built and organizations we have been able to support in our community. We look forward to continuing to make a positive impact on our community and the people in it.
